Foundation at a Glance

The Mark Staehely Pediatric Cancer Foundation was founded by family & friends of Mark Staehely to carry on his service to others. Mark passed away in March, 2006 at the age of 18 after a valiant six year battle with neuroblastoma, a rare and aggressive pediatric cancer. Mark taught all of us that it is not the duration of your life, but the donation of it.

Make Your Mark is a 501 (C) (3) not for profit organization born out of the requests Mark made of family in the final weeks of his life.

Those who were touched by Mark's caring and giving heart have been forever changed. This foundation is our labor of love for our son, brother, and friend: Mark Staehely. Years later, lives are continuing to be touched by one little boy's dream to always pay it forward.

We are asking for your support in our endeavor in the fight against pediatric cancer. Please come out on October 7, 2018 and enjoy a day of golf. Your support is greatly appreciated.
